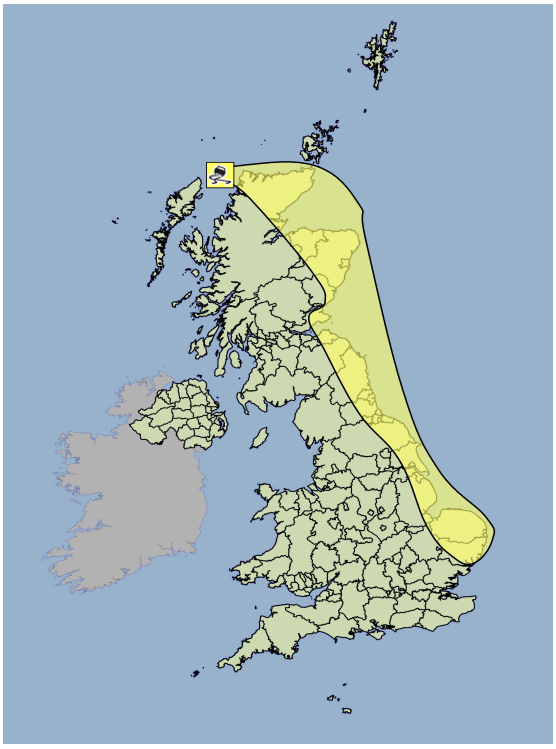
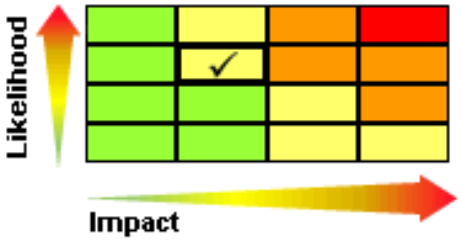
# National Severe Weather Warning Service





**Chief Forecasters Assessment**
Clear skies will allow temperatures to fall widely below freezing on Friday evening. Particularly at risk of icy patches are roads, pavements and cycleways which are either still snow covered, where surfaces are wet from partially melted snow or standing water and areas where wintry showers occur after dark.

The Met Office have issued a **Yellow Warning** of **Ice**

Valid from **17:00 on Fri, 15th Jan 2016** until **11:00 on Sat, 16th Jan 2016**

Temperatures will fall sharply after dark on Friday evening allowing icy patches to form on untreated surfaces, including footpaths and cycleways. Please be aware of the potential for difficult travel conditions.

**For more details please go to:**
